Decentralised Application Development

Into to dapps development libraries and connecting with smart contracts

Web Dapp development libraries

web3.js & ethers.js

Web3.js

Ethers.js

Ethers.js install and use

Ethers bignumberify

Further reading

- **Ethers.js Documentation - https://docs.ethers.io/ethers.js/html/index.html**

Homework

- **Create a website connecting to your testnet Crypto Cars contract where you can list all the cars an address has bought**

- **Try to list how much money has an address spent for buying cars**

- **Create a way to find out the owner of a car and how much has been paid for it**
